KENZIE ACADEMY

Hey Future Kenzie Grad,

The new year is right around the corner - how about your new career?

Find a comfy spot on your couch and join us **Thursday, January 7th for our next Online Open House!**

Choose either Open House session, 6 p.m. - 7 p.m. Eastern or 6 p.m. - 7 p.m. Pacific, to learn about Software Engineering or UX Design, get a feel for how we teach, and hear how Kenzie has guided students to successful careers - and how we can guide you too!

At our Online Open House, you'll:

- Find out how a Kenzie education gives you the relevant skills employers are hiring for.
- See real student projects and hear how Kenzie alumni pursue enriching careers in tech.
- Learn about our financing options to make your education accessible.
- Get your curriculum and application questions answered live by an Admissions Advisor.

Register for the Online Open House

Cheers,

Team Kenzie

Kenzie Academy, 47 South Meridian Street, Indianapolis, IN 46204, United States, (317) 644-4973
