Hey Future Kenzie Grad,

We don't want you to miss our **Online Open House** this **Thursday, January 7th at 6 p.m. ET and at 6 p.m. PT**. It's your chance to see Kenzie's education in action because you'll hear alumni stories, see student projects, and get answers to your questions about Kenzie and our programs.

**Here's the link to [RSVP for the 6 p.m. Eastern session or for the 6 p.m. Pacific session](#)** (whichever time works best for you).

As you hear about our grads, just remember: many were still beginners to coding and they accomplished a lot in less than a year. They haven't done anything you can't do too!

Ready to take the next step and launch your own career in tech? [Feel free to reach out to us with any questions!](#)

Best,  
Team Kenzie
